

A photograph of a metal fabrication yard. In the foreground, a large stack of curved metal beams, possibly C-channels, is arranged in neat rows. The beams are rusted and have a reddish-brown patina. Behind the stack, a man in a red and black plaid shirt and blue jeans stands in the open doorway of a building with corrugated metal walls. To the left of the doorway, there are some wooden planks and a ladder leaning against the wall. The ground is dry, dusty, and covered with some sparse green grass and small pieces of trash. The sky is clear and blue.

A photograph of a construction site. In the center, a tall yellow crane is lifting a long, dark, curved metal beam. The beam is arched over a dirt area. On either side of the dirt area are multi-story concrete buildings under construction. The building on the right has several floors with red metal railings. The ground is uneven and covered with dirt and some construction debris. In the background, there are some trees and other buildings under a clear sky. The text "Devdharay industries" is overlaid in green across the middle of the image.

A large pile of square steel bars, some straight and some curved, is the central focus of the image. The bars are stacked in a way that shows their hollow square cross-sections. In the background, a flatbed truck is partially visible, and further back, there are modern multi-story buildings with balconies. The scene is set in an industrial or construction yard.

Devdharay industries

The image shows several long, dark, rectangular metal bars, possibly steel, that have been curved into a gentle arc. They are laid out on a dry, brown, sandy or dirt surface. The bars are arranged in a slightly overlapping fashion, with their ends pointing towards the bottom of the frame. The metal has a weathered appearance with some lighter, possibly oxidized or painted, patches. The background is a uniform expanse of dry earth with some small, dark specks.

The image shows a large, rectangular metal beam, heavily rusted and bent into a curved shape. It is being processed by a hydraulic press, which is visible as a dark, industrial machine with a large, curved arm. The beam is positioned horizontally, and the press is applying force to bend it. The background is a dirt-covered industrial area with various metal scraps and debris scattered around. A blue corrugated metal structure is visible in the upper right corner. The text "Devdharay industries" is overlaid in orange on the beam.

A photograph of a metal fabrication yard. In the foreground, several large, curved steel beams are stacked in a fan-like arrangement. Behind them, numerous straight steel bars of varying lengths are stacked. The ground is dirt and gravel. In the background, there are industrial structures, including a red corrugated metal wall and a white wall with a window. The text "Devdharay industries" is overlaid in white on the center of the image.

Devdharay industries

A photograph of an industrial setting, likely a steel processing yard. Two men are working with large coils of dark, curved metal rods, possibly rebar. The man on the left is wearing a yellow t-shirt and grey pants, leaning over the coils. The man on the right is wearing a white t-shirt and light-colored pants, also leaning over the coils. The background shows a corrugated metal building, some greenery, and a fence. The ground is dirt. The text "Devdharay industries" is overlaid in white, bold font across the middle of the image.

industries

A photograph of an industrial yard, likely a steel fabrication or storage facility. In the foreground, there are several large, dark, weathered steel beams stacked horizontally. In the middle ground, a man in a light-colored shirt and dark pants stands near a pile of steel. To the right, another person is partially visible. The background shows a dirt area, a fence, and some industrial buildings. The text "Devdharay industries" is overlaid in the center.

industries

A welder in a white shirt and dark pants is working on a large industrial pipe in an outdoor yard. Several other large pipes are laid out on the ground, some with large metal flanges attached. The ground is dirt and there are various tools and equipment scattered around. In the background, there are some buildings and a green tarp.

A photograph of an industrial yard. In the foreground, a long, dark, curved metal beam lies on the ground. A white rope is attached to a circular metal pulley on the beam. Two workers are visible in the background; one is crouching near some stacked metal beams, and the other is bending over. The ground is dirt and muddy. In the background, there are industrial buildings and a multi-story residential building on the left. The text "Devdharay industries" is overlaid in white in the center-right of the image.

The image shows two long, cylindrical metal pipes lying parallel on a light-colored, sandy or dusty ground. The pipes are heavily corroded, with a thick layer of reddish-brown rust covering most of their surfaces. The lighting is bright, casting long, dark shadows from the pipes onto the ground. In the upper left corner, there is a small pile of dark, rectangular objects, possibly metal rods or pipes. The overall scene suggests an industrial or construction site in a dry, sunny environment.

Devdharay industries

The image shows three concentric circular frames made of dark metal, possibly steel, lying flat on a dry, sandy, and slightly grassy ground. The frames are arranged in a nested fashion, with the largest one in the foreground and two smaller ones inside it. The text 'Devdharay industries' is superimposed in white, bold, sans-serif font across the middle of the frames. In the background, there is a concrete wall, some green plants, a coiled green hose, and a black tarp hanging from a structure. The scene is brightly lit, casting shadows from the frames onto the ground.

industries

A photograph of an industrial yard. In the foreground, there is a large, rectangular metal drainage cover with a grid pattern, partially open, revealing a metal grate underneath. A long, dark metal beam lies horizontally on the ground to the right. A white rope or cable runs diagonally across the sandy ground. In the background, a large stack of similar metal beams is visible. To the left, there is a green tarp and some industrial equipment. In the distance, a road with a few people and vehicles is visible under a clear blue sky.

Devdharay industries

A photograph showing a stack of approximately ten curved metal beams, likely made of steel, resting on a bed of light-colored gravel. The beams are arranged in a semi-circular arc, with their ends pointing towards the viewer. In the background, there are stacks of white corrugated metal sheets and other construction materials. The text "Devdharay industries" is overlaid in yellow on the middle of the image.
