The image shows an industrial yard under a clear blue sky. In the foreground, a large, neat stack of square hollow steel sections is positioned next to a light blue corrugated metal building. To the right, a red flatbed truck is parked on a dirt surface. In the background, there are various industrial structures, including a crane, and some greenery. The text 'Devdharay industries' is overlaid in yellow across the middle of the image.

Devdharay industries

The image shows the interior of a large, unfinished industrial building. The roof is made of corrugated metal sheets supported by a dark steel truss system. The walls are constructed from red bricks with visible concrete mortar joints. The floor is dirt and cluttered with construction materials, including piles of sand, bags of cement, and debris. Several people are visible in the scene: one person stands near a large pile of sand in the center, while others are sitting or standing on the right side. Bright light enters from a large opening at the far end of the building, creating a strong silhouette effect.

A large industrial building is under construction at sunset. The building's steel frame is visible, with a series of vertical columns and horizontal beams forming a long, rectangular structure. The roof is partially completed, showing a series of parallel steel beams. The sky is a mix of orange and blue, indicating the time is either dawn or dusk. In the foreground, there are several large piles of reddish-brown bricks and some construction debris on a dirt ground. The overall scene is one of active industrial development.

The image shows a large-scale construction project for an industrial facility. The structure features a prominent, high-pitched roof made of a dense network of galvanized steel beams. The walls are constructed from grey concrete blocks. The interior floor is a flat, dusty surface. In the foreground, several long, white, corrugated metal sheets are laid out on the ground. A few workers in white uniforms are visible near a doorway on the left side of the building. The sky is clear and blue.

A photograph of an industrial building under construction at sunset. The building has a concrete base and a steel frame for the upper floors. The sun is low on the horizon, creating a silhouette effect on the structure. Two workers are visible on the roof. The text "Devdharay industries" is overlaid in white.

The image shows the interior of a large industrial building under construction. The roof is a high, vaulted structure made of dark metal trusses and corrugated metal sheets, with several skylights allowing natural light in. The walls are made of red brick, with some sections still under construction. Scaffolding is visible on the left side, and the floor is dirt and concrete. The text "Devdharay industries" is overlaid in white.

The image shows the interior of a large industrial building under construction. The floor is covered with a grid of steel reinforcement bars (rebar) and concrete slabs. The walls are made of light-colored concrete and feature several rectangular openings, some of which are covered with wooden shutters. The ceiling is composed of corrugated metal sheets supported by a network of steel beams. Natural light enters through skylights in the ceiling and an open doorway on the left. A small piece of fabric is hanging from a horizontal wire across the middle of the space.
